COMFORTING WORDS

Many a Bristol Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about by using Doan's Backache Kidney Pills, is to tell how a sufferer can be brought back to health.

Mrs. Fred Lyden, 580 Linden St., Bristol, Pa., says: "For years I suffered from severe backache and kidney troubles. I tried everything, but finally decided that it was doing me no good and I then discontinued its use. One day when telling an acquaintance of my trouble, I was advised to give Doan's Backache Kidney Pills a trial. I was rather reluctant to do so, having very little faith in proprietary medicine, but finally I did. I was surprised and delighted with the results. By the time I had used four boxes of Doan's Backache Kidney Pills, my trouble had disappeared as if by magic."
